

SENTINEL™ A50 Air with Aristo® Air PAPR

The Aristo® Air PAPR (Powered Air Purifying Respirator) system combined with the Sentinel A50 Air helmet, offers heavy duty protection from welding fume and dust when welding, gouging & grinding. The unit features the latest in PCB Board technology, allowing the welder to adjust the air flow from 170 L/min to 210 L/min to suit the environment and application. This is highlighted by an LED airflow indicator on top of the unit. The Aristo® Air is equipped with audio & visual blocked filter and low battery alarms, offering extra safety for the welder.

ARISTO AIR PAPR FEATURES

- Li Ion battery pack (up to 8hr duration @ 210L/min).
- P3 filter and pre-filter.
- Audio/visual blocked filter and low battery alarms.
- LED air flow indicator.
- International intelligent charger (interchangeable pins).
- Battery charge LED indicator.
- Flat push button membrane switch.
- Supplied with 'new style' comfort pad.

3 YR Warranty
on Auto Darkening Filter*
