Invented for life

Product data sheet

Power tools for trade & industry

Advantages:

- 87% more power compared to a conventional battery - thanks to latest cell technology and Bosch's intelligent battery management.
- Compatible since 2008: all of our batteries are compatible with new and existing Bosch Professional tools in the same voltage class.
- 135% longer lifetime compared to a standard battery due to COOLPACK 2.0 technology preventing the battery from overheating
